FOUNDATION FORUM: CCF E-NEWS

INAUGURAL EDITION

Thank you for the warm welcome, Charlotte County! Now, I welcome you to a new e-newsletter—the Foundation Forum—from the Charlotte Community Foundation (CCF). Please consider this my first official greeting to all of you, and I hope you will welcome this new format for sharing information periodically. In this inaugural newsletter edition, I’d like to share some introductory thoughts and issue an invitation to our open house!

**Dr. Shelley Strickland, CEO**

*“Although there are elements that should be hallmarks of any community foundation, each foundation should reflect the area it serves.”*

*“I look forward to learning more about the uniqueness of Charlotte County and how CCF can be inclusive of the whole county and a point of pride for everyone.”*
